

# BOOMER'S CHICKEN & BEEF BLEND

**My  
Perfect  
Pet™**

Boomer's Chicken & Beef Blend is 100% complete & balanced for adult dogs, and is the adult version of our Buckaroo Puppy Blend. It is our second most bland diet making it perfect for dogs with sensitive stomachs, or who don't want to change foods simply because they grew up. The primary protein sources are boneless skinless chicken breast & thigh and beef round, making it perfect for picky eaters. Whole grain brown rice is soothing to the digestive tract and is often recommended to help aid in the natural expression of anal glands.
